

Annistown Elementary

Dress Code/Uniform Program

At Annistown, our students have been wearing uniforms for the past several years. Students wear uniforms Monday-Thursday, and Spirit Wear (Annistown shirt and jeans) on Fridays. We have been thrilled with the results, 90%-95% of the students participating every day. Our community has been very supportive of the Annistown Dress Code and we see the benefits daily. We know that parents/students supporting this initiative helps add to a positive learning environment. We ask for your continued support of the uniform program.

Uniforms are available at most major retail stores, as well as online.
