

WELCOME FROM YOUR PRINCIPAL!

Dear Parents and Students,

I want to express a heartfelt welcome to the Annistown family and this school year. Our motto at Annistown is “**accepting only excellence**” and we take that to heart. We strive to **accept only excellence** from ourselves as we serve you and we want our scholars (students) to **accept only excellence** from themselves as they work on the attributes we expect from our scholars. We refer to them as our **PAWS** characteristics (**P**ersonal best, **A**cept responsibility, **W**orks hard, and **S**how respect). As we all work towards this worthy goal of **accepting only excellence**, we know that our scholars (students) will be the beneficiaries and that they will be prepared for their next grade level on until they will be ready for college and/or career. We look forward to working collaboratively with you the parents on this journey!

Annistown has an incredible history of involved parents and an active PTA and this year is not different. We are excited about the opportunity to work with the PTA and you in making the 2017-2018 school-year one of academic achievement, growth, and memories for all of our students. As you know, we accept only excellence at Annistown Elementary School and we have and will work hard this year to provide the best education possible for your student.

We are always looking for volunteers to assist the PTA and the school. I would like to encourage you to commit to volunteer throughout the year and let your student see, by your volunteerism, that you are **ALL IN** for your child’s education.

If you have any questions, please do not hesitate in contacting us!

Sincerely,

Steve Frandsen
